DBD-16H Mini Table-Top #5 Rebar Bender

Extremely Portable #5 grade-60 rebar bender

The DBD-16H is a small lightweight portable rebar bender that can save valuable time. The angle adjustment lever allows you to bend rebar up to and including #5 (5/8") grade-60 rebar. This is a strong electric/mechanical bender that can dial-up bends from 1-180°. You can use it on the job site or in your shop. The DBD-16H portable rebar bender comes complete with a removable extension table, a tool kit, and a standard foot pedal control switch for hands-free bending. BN Products-USA backs this tool with a one-year parts and labor warranty.

BN Products-USA backs this product with a one-year warranty.
