**No Generator, No Electrical Outlet,
No Problem.**

The DCC-1618HL 18V Cordless #5 Grade 60 Rebar Cutter

Top-quality manufacturing, long-life alloy tool-steel cutting blocks, safety pressure relief valve, precision-balanced armature, double-insulated electric motor and locking trigger switch.

The DCC-1618HL cordless rebar cutter will safely and cleanly cut rebar up to 5/8" diameter grade 60. This self-contained electric/hydraulic unit will also cut other items like chain, bolts, and rod. The DCC-1618HL can be used in rescue operations. It can cut in close proximity to a trapped victim and does not throw sparks. The cutting head quickly rotates up to 345 degrees for use in vertical, horizontal, or difficult applications. A safety relief valve for retracting the piston and a cutting guard are standard features. This tool ships complete with (2) each 18 volt DC batteries, 30-60 minute fast battery charger, removable side handle, plastic carrying case, and a tool kit. We also have available a tune-up kit for DCC-1618HL cordless rebar cutter - TU1618H.
