## ONE-YEAR LIMITED WARRANTY

BN Products-USA™ warrants our tools to the original purchaser to be free of defects in materials and workmanship under everyday and appropriate use and service for one year\*.

BN Products-USA™ sole responsibility under this warranty is limited to the replacement or repair, at a designated facility, of only the part or parts evaluated by BN Products-USA™ upon inspection to be defective in materials and quality. Any defective related parts determined by BN Products-USA™ will be repaired or replaced free of charge. This warranty does not apply to parts considered “wear components” or tools or parts subject to abuse or unauthorized repairs.

BN Products-USA™ liability hereunder shall be limited to repairing or replacing the defective part/parts, including labor. It shall not, under any circumstances, include special, incidental, or consequential damages whether or not known by or disclosed by BN Products USA™. Such repair or replacement shall fulfill BN Products-USA™ full warranty.

This warranty does not extend to any costs or loss arising from or due to inconvenience, transportation damage, misuse, abuse, accident, theft, vandalism, or a similar incident. The preceding warranty is exclusive and in place of all other warranties, including any guarantee of quality, expressed or implied, any warranty of merchantability, or any warranty of fitness for any particular purpose. BN Products-USA™ will not be responsible for a replacement unit given to a customer without prior authorization, nor will any debits be honored.

BN Products-USA™ has Authorized Warranty Repair Centers throughout the United States. Repairs by an unauthorized warranty repair center will not be honored.

### Our Warranty Repair Procedure

- The customer or distributor must fill out a Warranty Repair Request Form complete with the customer’s name, copy of an invoice, date of purchase, serial number, and contact information. This form can be completed electronically at BNPRODUCTS.com (use QR code), printed from our website, or requested by calling Customer Service: (800) 992-3833.
- When the form is submitted to us, we will schedule the product for pickup. For USA Customers, we will assign and cover the freight carrier of our choice to pick up the tool and ship it to our facility or an Authorized Repair Center.
