BNR6500 Mixer

We have upgraded our commercial grade mixer. From low-viscosity paints to high-viscosity mortars and small batch concrete, here is a new mixer to get your job done quicker! The new **BNR6500** has a soft-start variable speed adjustment, a speed-lock feature, and a powerful high torque motor with a two-speed gear box. The metal handles are ergonomically designed with soft grip feel.

- 1800-Watt, 2-speed Power Mixer
- High performance quick change chucks, & standard M14 connection
- Robust gearbox with a powerful high torque motor
- Ergonomically designed handle with soft grip
- Soft start function and constant speed control
