DCC-1636BHL

Cordless Electric Rebar Cutter

DCC-1636BHL #5 (16mm) Cordless Rebar Cutter

The DCC-1636BHL Cordless Rebar Cutter will safely and cleanly cut rebar up to 5/8" diameter; Grade 60. This self-contained electric/hydraulic unit will also cut other items like chain, bolts, and rod for use in multiple applications, including rescue operations. The cutting head quickly rotates up to 345° for use in vertical, horizontal, or difficult applications. A safety relief valve for retracting the piston and a cutting guard are standard features.

This tool ships with a 36-Volt Lithium-Ion battery, a 60-minute fast battery charger, a removable side handle, durable carrying case, and a tool kit. We have a tune-up kits available for DCC-1636BHL cordless rebar cutter through your preferred BN Products-USA™ Distributor!
