THE MOST TRUSTED NAME IN REBAR TOOLS

## DC-20WH

### ELECTRIC-HYDRAULIC REBAR CUTTER

**#6 REBAR** (3/4" - 20MM GRADE 60)

#### SUMMARY

This portable rebar cutting tool provides safe and efficient rebar shearing for Grade 60 rebar up to #6 (3/4" - 20mm). The DC-20WH is the top-selling standard and the original hydraulic cutter introduced in North America for clean rebar cutting!

Unlike saws with abrasive blades or cutting torches - the DC-20WH eliminates sparks and open flames - among other safety hazards. A safety relief valve for retracting the hydraulic piston and a cutting guard are among standard features of the DC-20WH.

#### PORTABILITY

At just 25.4 lbs - the power you need, where you need it - and useful for shearing rebar on the job site, or in a shop!

**DIAMOND**

**DC-20WH**
